## Nature of Presenting Problem

Brief description :

I **have/have not** examined the horse specifically to investigate the presenting problem.  
If so, please write date(s) of examination(s) and any findings which might be contributing to the presenting problem:

I **have/have not** advised the owner to consider euthanasia for this horse, due **entirely/in part** to the presenting problem

This horse **is/is not** currently receiving any veterinary treatment or medication.  
If so, please write brief details here:

Please write any other information which you feel may be helpful here, or on additional page:

I am referring this horse to Felicity George for behavioural assessment and/or I have no objection to Felicity George assessing the behaviour of this horse
